The Hope of
New Creation
Week 3 – Heaven and Paradise

Jesus ascended
into heaven

LIVE

Jesus ascended into heaven

Heaven is the dimension of God's creation where God's will is done

=> *and only God's will is done.*

Heaven is that place where things are as God intends them to be.

After death, every person is *judged*
according to the way that
we have learnt to love

1. Heaven

Purgatory is Heaven's bathroom

When you need to freshen up before the feast

2. Hell

After death, every person is *judged*
according to the way that
we have learnt to love

We are purified to be capable of being
in the presence of pure love

This is a spiritual reality
that happens outside of time

What is our capacity to love?

Citizens of heaven

But our citizenship is in heaven,
and it is from there that we are
expecting a Saviour,
the Lord Jesus Christ.

Philippians 3:20

The Communion of Saints *in* Paradise

all the Christian departed
are in substantially
the same state —
that of restful happiness.

Remember

*heaven is important—
but it is not
the end of the world!*
