

Living Simply

Transforming hearts through simplicity

Objective

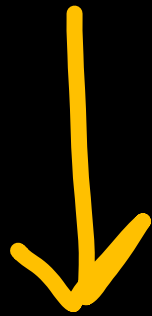

Confusion

*“We can
have it all!”*

Priority = The first or prior thing
(came into English in 15th century)

500 years

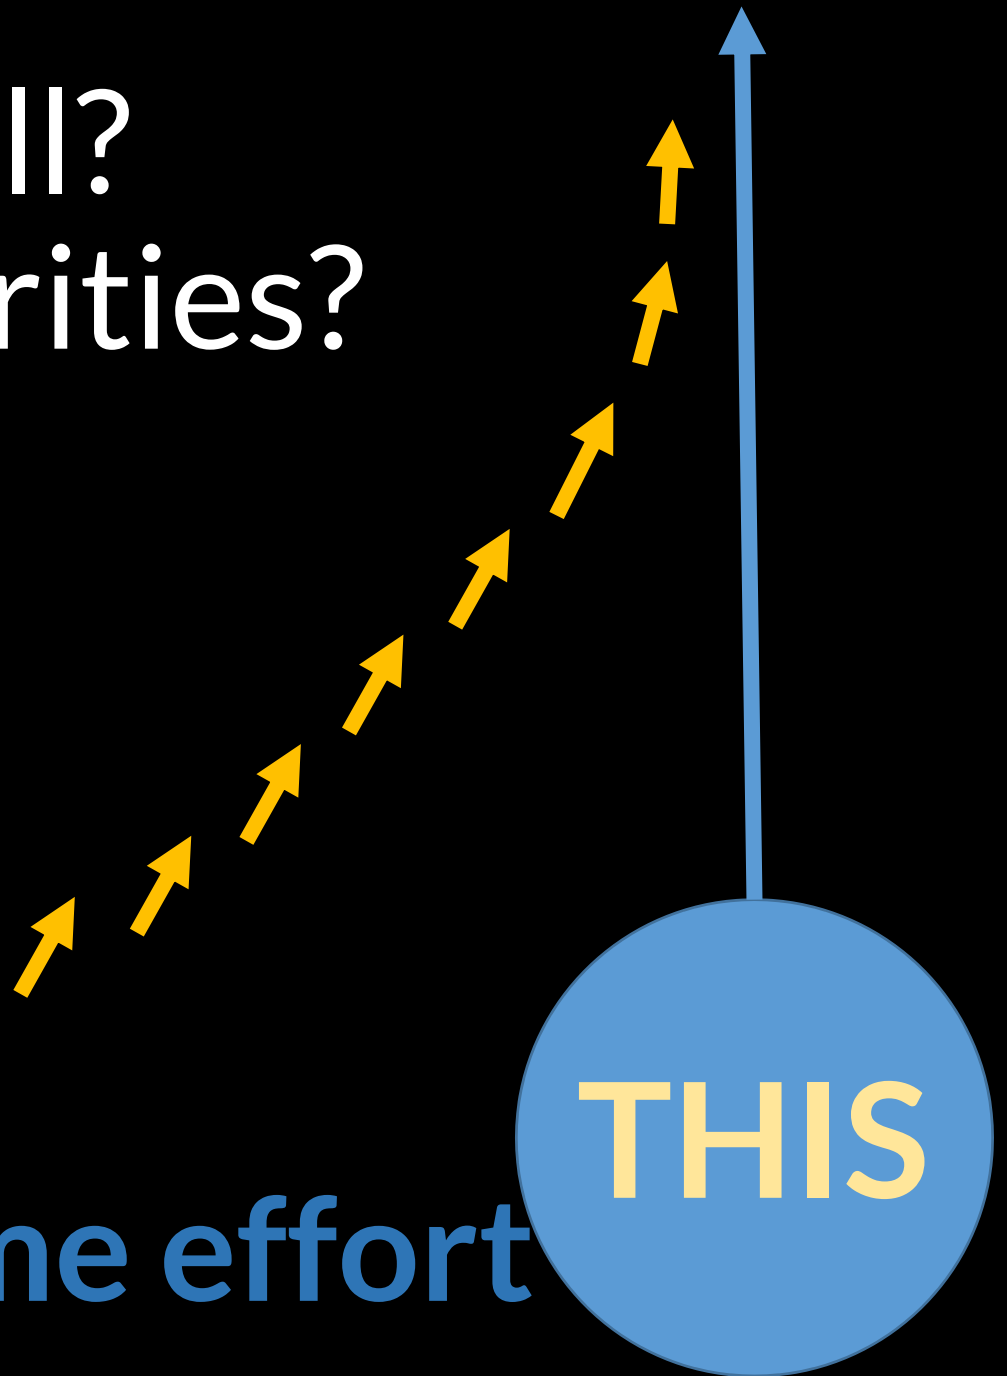

Only in the 20th century,
did we pluralise the word:

Priorities

Having it all?
Many Priorities?

Same effort

One is good
Two is better

Less is more

Less is more

The richest people in the world are not those who *have* the **most**, but those who *need* the **least**.

Give one

Ten lepers

Were not all ten healed?

Where are the other nine?
